

Chad Coppess, Grace Adventures Ranch.....

Chad Coppess is the Director of Ranch Ministries at Grace Adventures Paradise Ranch At Grace Adventures, we are called to increase our impact on youth, adults, families and communities with Jesus Christ through evangelism, discipleship, leadership training and educational opportunities in a year around quality Christian environment.

In a world full of chaos and constant pressure to travel the wrong path, there remains a need to escape to a place that is not only safe, but also spiritually enriching. At Grace Adventures we strive to be a haven where individuals are impacted in an ever changing world, trained to apply the precepts and principles learned into daily living and equipped to integrate life skills into the world they live.

Chad Coppess, through his involvement and work at Grace Adventures has developed a ministry he calls *Cross Training Horsemanship*. This is a horse training demonstration where Chad uses the horse and trainer relationship to illustrate healthy relationships and Biblical Truth.

Chad will present this program in the Round Pen (Auditorium) immediately following the Cowboys for Christ “Cowboy Church” on Sunday morning at this year’s MHC Horse Expo.
