

Cowboys For Christ

Cowboys for Christ is an international ministry with headquarters in Fort Worth, Texas. It was founded in the 1960's by Ted Pressley and we now have chapters in all fifty states, as well as international chapters. Cowboys for Christ is non-denominational and we are dedicated to building the kingdom of God on this earth, not in building an organization. We are not in competition with any denomination, local church or assembly.

Cowboys for Christ ministries include evangelism to the livestock industry, missionary outreach, publishing the *Christian Ranchman* monthly newspaper (free upon request), preaching the Word of God, praying and witnessing for Jesus.

Michigan Cowboys for Christ chapter will have a booth all weekend at the Michigan Horse Council Expo. On Sunday morning they will conduct a cowboy church service, beginning at 8:00 a.m., in the Round Pen/Auditorium. Hope to see you there!
