Jeff Bunn, DVM  
Matthew Davis, DVM  
Kenneth Gertsen, DVM***

The Michigan Equine Practitioner's Association will present seminars on Equine Dentistry, illustrating some of the more common and newer methods of treating teeth problems in horses. These will include the use of an intra-ocular camera, allowing those attending to actually see what is being done in the horse's mouth. These seminars will take place on Saturday, March 8, Seminar Room A, 2:15-3:15 p.m.; and Sunday, March 9, Round Pen/Auditorium, 12:45-1:45 p.m.

Participating in these seminars will be:
