

Acceptance Clinics

by Brandt Clark

2021 Statewide Trail Ride

The Michigan Horse Council would like to welcome trainer **Brandt Clark** to our weekend fundraising event. Brandt will be sharing “acceptance” techniques to help trail riders overcome various obstacles that they are facing with their horse or on the trail. Brandt has a vast background working with different breeds and disciplines in the horse industry. His kind and observant approach to motivating horses is a joy to integrate into your training toolbox.

The Michigan Horse Council would like to welcome saddle maker, **Darrell Nephew** from Circle Y, to assist with saddle fittings to a limited group of riders. Saddle fittings normally run from \$75 - \$150.00 but are included in the package for this event for free while openings last. If you are interested, please get signed up for the event asap and be sure to register for a personalized saddle fitting. Darrell has over forty years of knowledge and experience fitting horses and designing saddles and tack with leading horsemen and women throughout the world. We are delighted to have Darrell with us to help you and your horse perform your best!

Saddle Fittings

by Darrell Nephew,

VP of Circle Y

Location: D Bar D Ranch

Chase, Mi.

The Michigan Horse Council welcomes you, your families and your friends to the 2021 Statewide Trail Ride fundraiser event. Join us on a beautiful ranch for learning, riding, shopping and auctions and a wonderful dinner, dance and awards ceremony on Saturday night. For more information, please contact Bruce Deur at 989-304-0811.
